

Light, colours and bioinformation containing essences are applied to acupuncture points, reflex zones, meridians and energy zones

Better and quicker rehabilitation

Also For:

- Leg Ulcers
- Pressure Sores
- Wound Healing after Operations
- Wound Healing after Injuries
- Pain Treatment

The Bioptron acts in a natural way by supporting the regenerative capacity of the body and therefore helps the body to release its own healing potential.

<http://www.bioptron.co.nz>

Boost your immune system to ward off colds and flus

Prevention is the best medicine and this begins and ends with maintaining a strong immune system. If a person fortifies their immune system on a daily basis or at least at the onset of disease he or she might avoid sickness altogether or at least minimize its effects.

The Bioptron is an approved medical device

If you haven't got enough time for good health, then you haven't got enough health for a good time
